

SAM RIVERA

Junior Python Developer

sam.rivera@example.com | +1 555 0182 | github.com/samrivera

SUMMARY

Early-career developer with 2 years of Python experience. Comfortable with FastAPI basics and eager to grow in API design and testing.

EXPERIENCE

Python Developer — Umbrella Startups (2023–present)

- Built internal REST endpoints with Flask and some FastAPI.
- Wrote unit tests with pytest; set up basic GitHub Actions CI.

Intern — DataWorks (2022–2023)

- Assisted with CSV/PDF data-cleaning scripts.

SKILLS

Python, Flask, FastAPI (basic), pytest, Git, SQL.

EDUCATION

B.Sc. Software Engineering — City College (2019–2023)
